

Easy Lemon Cookies

This is one of my favorite "go-to" recipes when I need a quick dessert- it's so simple with just a few ingredients. It will probably become one of your favorite recipes too! And light, luscious lemon is perfect for Spring!

1 box lemon cake mix (18.25 oz)

1/3 cup melted butter, cooled

1 Tablespoon water

2 eggs

1 drop lemon oil OR 1 teaspoon lemon extract

2 cups vanilla (white chocolate) baking chips

Preheat oven to 350 degrees.

Place cake mix in large bowl. In medium bowl, mix together butter, water, eggs, and lemon oil. Add to cake mix and stir just until combined. Add vanilla chips.

Drop by teaspoons onto nonstick baking sheets, about 2" apart.

Bake 8-10 minutes, until cookies just start to turn golden brown on edges.

Remove from baking trays to cooling racks.

Makes about 2-3 dozen.
