Please use **#SnowmanSewAlong** in social media so we can see your projects!

Approximate finished size is 35 1/2". The blocks are 12" finished size.

This project will make a great little wall hanging or topper for your table! And it's going to be SNOW much fun!

There are 2 choices for making this project- you can do hand embroidery (embroidery patterns are included) OR you can purchase our preprinted Snowman fabric panels, which come in 2 styles!

Find the fabric panels and tiny heart buttons here

jacquelynnesteves-shop.com/products/snowmen-silent-night-fabric-panels-buttons

AND coordinating quilt labels to complete your project!

We will be making one pieced block per week. There are 4 blocks over 4 weeks. In the final week, we will add the borders. So in just a little over a month, you'll have completed an adorable snowman mini quilt!

The pieced blocks will be really quick and easy to put together! Of course, if you choose to do the embroidered blocks, that will take a little longer, but hand stitching is so calming and relaxing, I hope you'll give it a try!

You will need:

- White fabric- 1/2 yard if using the preprinted panel, or 2/3 yard if you are doing embroidery
- Red fabric- 7/8 yard
- Green fabric- 1/2 yard
- Turquoise/Blue fabric- 1/3 yard
- Black fabric- 7/8 yard (includes enough for binding)
- Backing fabric (42" wide)- 1 1/4 yards
- Batting- about 42" square
- Thread for piecing, basic sewing/quilting supplies

You will also need:

- 4 preprinted snowman fabric panels (see page 1) **OR**
- Extra White fabric (see fabric requirements above,) PLUS embroidery supplies, such as floss, hoop, etc.
- 7 tiny red heart buttons (about 1/4") – see page 1

(I talk a little bit about fabrics, including using fat quarters, in this video youtu.be/DNKLGdYXsfM?t=973)

Sew Along Schedule (subject to change):

Monday September 20, 2021- Block #1
Monday September 27, 2021- Block #2
Monday October 4, 2021- Block #3
Monday October 11, 2021- Block #4
Monday October 18, 2021- Borders
